

ANNUAL GENERAL MEETING

Treasurer's Report

The WDR Bank Account was set up in Lloyds Bank UK in March 2023.

There has not been a great deal of activity as you can see .

In regard of Income there was the England Deaf Payment and the Moondance payment . I will be expecting, following a decision at the AGM, that there will be a Membership Payment from each Union.

In regard of Payments there have been the Executive Meeting at Cardiff, Payment for Ties and Badges which and Booking for AGM. I anticipate some Postage costs for Ties and Badges to Members which will boost 'Brand' around the World. We should still be left with some £9k in the WDR Account. I will be appointing an Auditor shortly to approve the Annual Accounts at year end
