

World Deaf Rugby

NOTICE OF 2019 AGM

Dear Members,

An Annual General Meeting is overdue.

I hereby give notice of a proposal to hold a WDR AGM electronically over the weekend of 2 and 3 November. For the most part the meeting will be by documentation provided by way of reports and proposals prior to the meeting. However, the appointment of officers will require a voting process.

With this in mind I would ask members to consider the following matters.

1. There will be reports from the Chairman and Secretary. Any member wishing to submit a report will be entitled to do so in writing. To enable a proper opportunity for all members to consider the reports I would ask that they are submitted to me not later than 17 October 2019.
2. The following officer positions are open for candidates Chairman, Vice-Chairman and Secretary. Candidates may self propose but they should have the support of their home rugby union.
3. Members wishing to submit proposals for the future conduct of Deaf Rugby should do so in writing not later than 10 October 2019. Please note proposals should be supported with a brief statement in support. Members will have the opportunity to respond to that statement. Please note that proposals will be subject to a vote and will be passed or rejected on the basis of a simple majority.

If you have any questions please contact me via e-mail. In the absence of any objection to the chosen dates a formal notice with an agenda will be submitted next month.

Lyndon James
